

Treatment Reflexology Training

Training you to use reflexology especially foot reflexology to treat your own ailments or to keep yourself healthy

1. Your problem can be serious ailments like cancer, Parkinson Disease, Kidney or Heart failure etc.

Dr. Goh will guide you to reducing your suffering resulting from the ailment itself, or from the side effects of medical treatment, e.g. insomnia, aches and pain, lack of appetite or depression.

The treatment training will also improve your ailment problem or prevent it from getting worst.

2. For your general health and ache and pain free living, have confidence, looking fit and young.

Fee: Special discounted rate RM500.00 per participant

Trainer: Dr. Goh (Geraldine Tay) will give theory and practical training in general and special personal care and treatment training gear to each individual participant's sickness.

Please contact Soo Hwa (Sue) at 011-12123381 if you are interested.

Limited places available.
